FOR IMMEDIATE RELEASE

Photo Images By Ben Forms Alliance To Provide Photography Services To The Dekalb County Chamber of Commerce

DECATUR, GA – (June 9, 2006) Photo Images By Ben has formed an alliance with the Dekalb County Chamber of Commerce and has signed an agreement to exclusively provide photography services to the organization. In this role, he will cover such chamber events as local governmental and international affairs meetings, networking events, groundbreaking, ribbon cuttings, chamber luncheons and charitable events. His photos will be included in “Access Dekalb,” the chamber member publication that is an affiliate of the Dekalb Business Network and will be updated to Photo Images by Ben online events gallery.

Chamber President Leonardo McClarty became interested in Ben’s work after Marketing and Communications Manager, Janniece Leonard mentioned Ben to him after viewing his “newly” launched website. “I am very excited about this opportunity and my new partnership with the Dekalb County Chamber. I look forward to establishing and building a long lasting relationship with the organization,” Ben said.

Photo Images by Ben is an Atlanta based photography and publicity company who specializes in photographic, publicity and promotional services. Founded by Benjamin Evans, an avid photographer who turned his hobby and passion of photography and writing into a business.

The company offers photography and publicity services ranging from specialty and freelance photography for local and national publications and organizations, celebrity events, weddings, family & class reunions, outdoor family portraits and more.
